

Encouraging declarations against WMD use by the VEO's support community can discredit VEO ideological justification in support of WMDs.

133

General Description of the Literature:

It is possible that declarations against WMD use by the VEO's support community could discredit VEO ideological justification for WMD use, but this hypothesis has not been examined empirically.

Detailed Analyses

133: *Encouraging declarations against WMD use by the VEO's support community can discredit VEO ideological justification in support of WMDs.*

Summary of Relevant Empirical Evidence: N/A

Empirical Support Score: 0 = No empirical support (for or against the hypothesis)

Applicability to Influencing VEOs: N/A.

Applicability Score: N/A
